The space that speaks to you

In the whispering woods of Jibhi, this wooden retreat is more than a stay – it's a feeling.

With private river access, garden sit-out deck, a small pond, and one of Jibhi's coziest book cafés, it's the perfect escape to slow down and reconnect with nature.

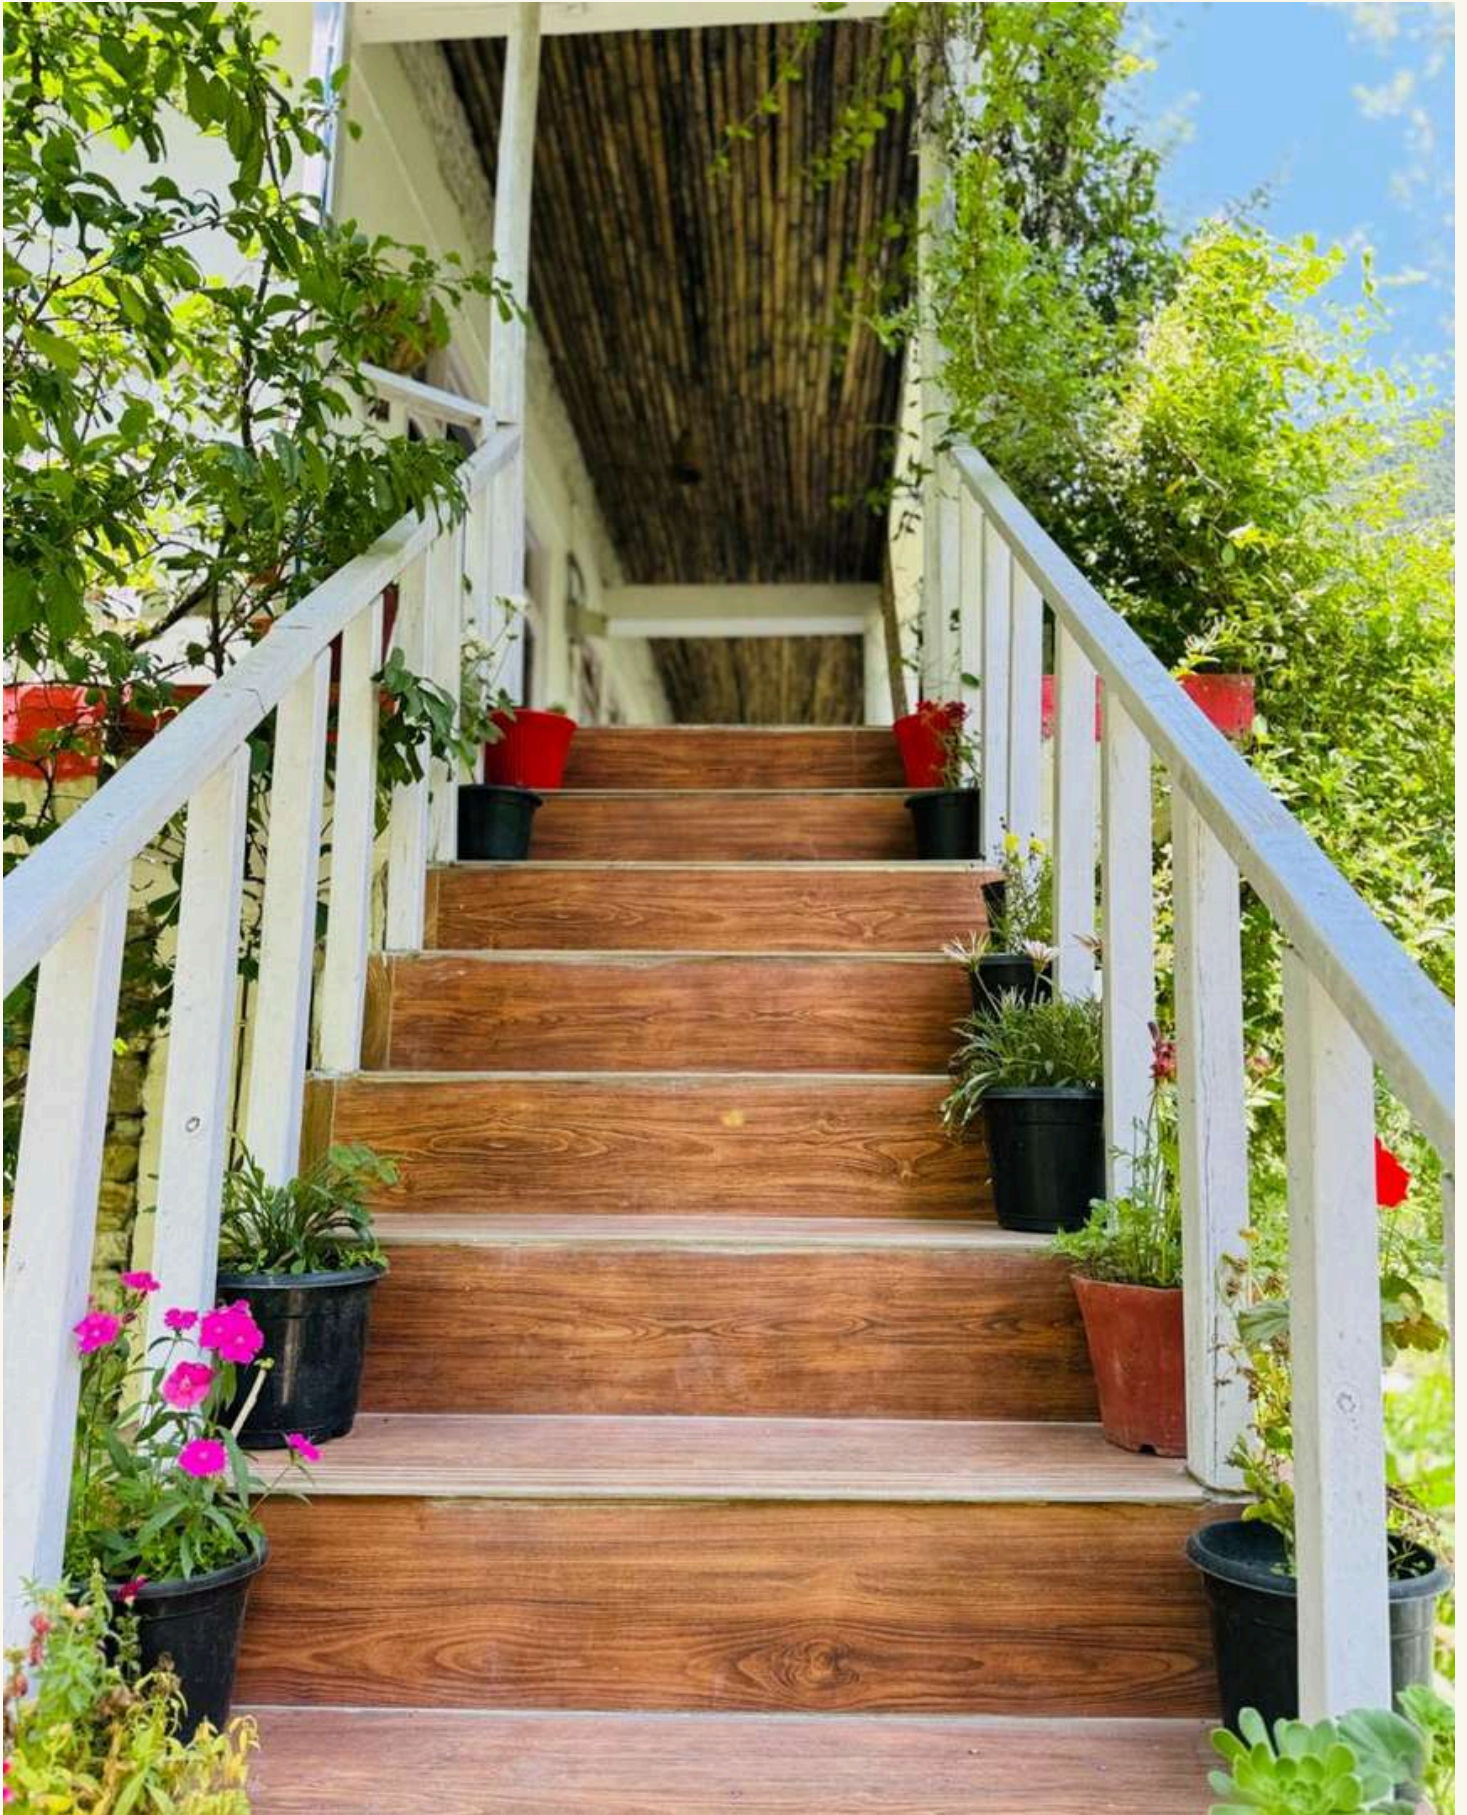

Inside, you'll find four cozy bedrooms, a fully equipped kitchen in 2 rooms on ground floor and 2 attic duplex rooms with private balconies on first floor, open outdoor spaces perfect for slow mornings, garden strolls, and evening bonfires.

Whether it's coffee in the balcony, a book in an aesthetic cafe, or just the sound of flowing river, this home is built for peace, comfort, and stillness.

Ideal for quiet retreats, work-from-the-hills escapes, or soulful holidays with close friends.
